Redemption Song
(Kate Rhudy, Soloist and Guitarist)

Old pirates, yes, they rob I;
sold I to the merchant ships,
minutes after they took I
from the bottomless pit.

But my hand was made strong
by the hand of the Almighty.
We forward in this generation
triumphantly.

Won't you help to sing
these songs of freedom?
'Cause all I ever have:
redemption songs;
redemption songs.

Emancipate yourself from mental slavery;
none but our self can free our minds.
Have no fear for atomic energy,
'cause none of them can stop the time.
How long shall they kill our prophets,
while we stand aside and look?
Some say it's just a part of it:
we've got to fulfill di book,

Won't you help to sing
these songs of freedom?
'Cause all I ever had:
redemption songs

Fill the World with Love

1. With the vision in our minds of how the world could be, and the
   all the people in this world living lives of pain and fear, crying
2. We whose spirits long to share, long to comfort and to heal, know that
3. Let us hesitate no longer in our doubt and our dismay; there's a
   fullness of our hearts from the suffering we see; when we
   out into the night, wondering when someone will hear; while there
   when we act alone, hope is difficult to feel; but to pow'r at work within us that has promised a new day. And the
   make all that we are and have part of God's destiny, we can
   are so many others having so much they can share, can we
   gather as we labor God's compassion to reveal we will
time will surely come, it will not be long delayed when God

[Chorus]

fill the world with love, we can fill the world with love.
fill the world with love, can we fill the world with love?
fill the world with love, we will fill the world with love!
fills the world with love, when God

Creation of Peace

Vocalists:
We’ll build a land where we bind up the broken,
we’ll build a land where the captives go free,
where the oil of gladness dissolves all our mourning,
we’ll build a promised land that can be.

We’ll build a land where we bring good tidings
to all the afflicted and those who will mourn,
we’ll give them garlands instead of ashes,
we’ll build a land where peace is reborn.

All singing:
O come build a land
where we, all together,

nointed by love, then create peace,
where justice shall flow
down like the water and peace, peace like an ever flowing stream!

Vocalists:
We’ll build a land where those who go hungry,
are given the fruit that makes a soul strong,
restoring the balance to all of God’s children,
come build a land where all will belong! (continued on next page)

Vocalists:
We’ll build a land where cries of praises resound from spirits once faint and once weak, where like oaks of righteousness stand her people, come build a land, all people we seek! (repeat refrain above)
